

Activity Scheduler - User Guide for Parents (2013-14)

We use the **rSchoolToday™ Activity Scheduler** as our School Calendar, as it provides significant advantages to our school and community. Because it is web-based, we can provide you instant access to the most up-to-date information at all times. You can push schedules to your phone, tablet, or computer and they will automatically update with any changes. You can also sign up for instant notifications and reminders, via email or text message.

Here is a quick snapshot some of the key features.

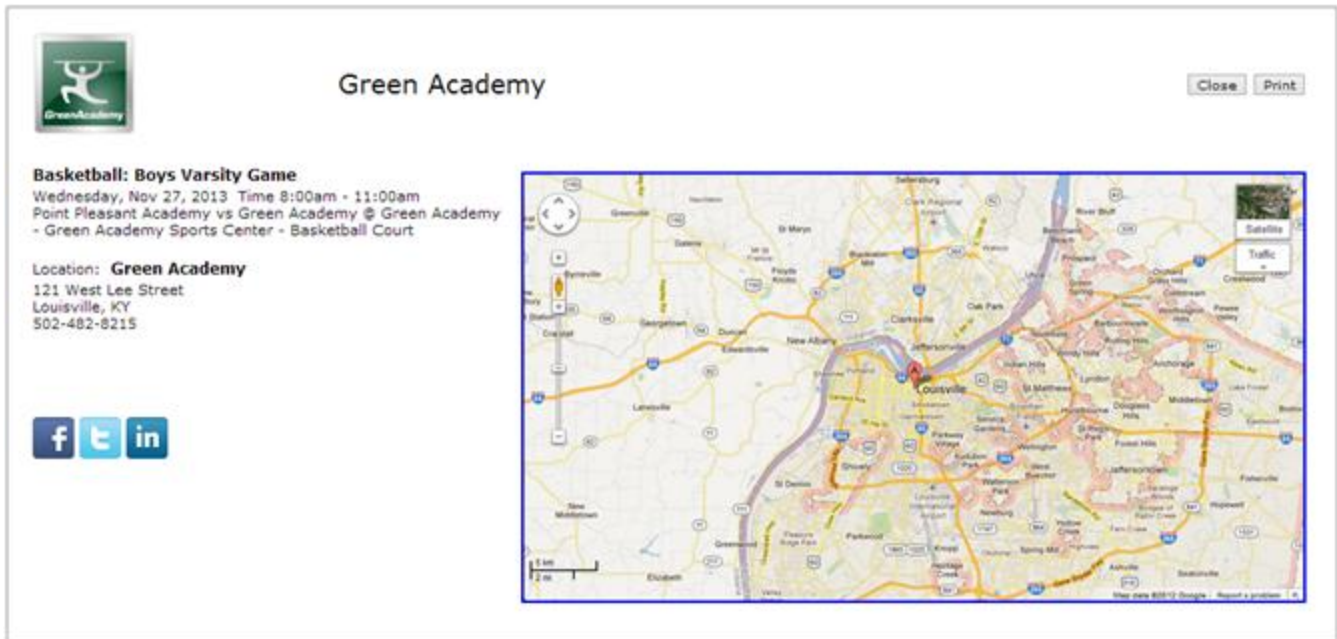

The screenshot shows the Green Academy Calendar interface. At the top, there is a navigation bar with tabs for Calendar, Rosters, Scores/Standings, and Coaches. A 'View by Type' dropdown is set to 'All'. The main content area displays the date 'Wednesday, Nov 27, 2013' and a list of events: 'Basketball:Boys Varsity Game' at 8:00am, 'Chorale Concert' at 7:00pm-10:00pm, and 'Basketball:Girls Varsity Game' at 7:30pm. A calendar grid for November 2013 is visible on the right, with the 27th highlighted. Below the calendar is a 'View Schedules:' dropdown menu listing various activities like 'Alpine Skiing - Girls Varsity', 'Baseball 6th', etc. At the bottom, there is a search bar and an 'Advanced View Report' button.

1. Click on any date to see the activities for that day. Underlined dates have activities on that date.
2. Jump or flip to any month.
3. Switch between the Week and Day View.
4. Flip to the next/previous day or week
5. View the full Schedule for any activity or activities. Choose the schedule(s) you want and click View.
6. **Notify Me!** Set yourself up for Change Notifications or Reminders as email or text messages.
7. View Rosters, Scores, Standings, and Coaches Directory (if published).
8. Search – search by activity or location
9. Click any activity for more details, including maps, social networking, address, phone #, etc.
10. **Advanced View Report** gives you detailed reports by location, gender, level, location, etc.

Activity Detail

Click on any Activity to get full details, including interactive Google Maps, and sharing the activity to your Facebook, Twitter or Linked-In site. This page is also printable.

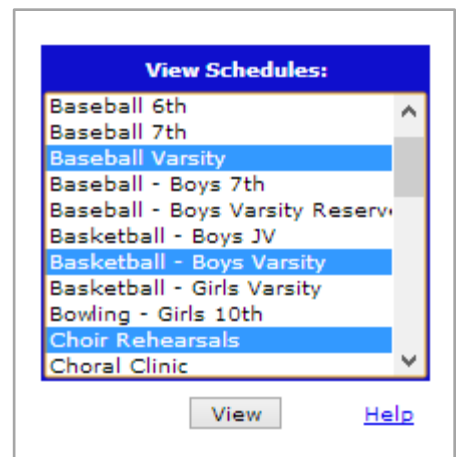

The screenshot shows a web page for an activity at Green Academy. On the left, there is a Green Academy logo and text: "Basketball: Boys Varsity Game", "Wednesday, Nov 27, 2013 Time 8:00am - 11:00am", "Point Pleasant Academy vs Green Academy @ Green Academy", and "Green Academy Sports Center - Basketball Court". Below this is the location: "Green Academy", "121 West Lee Street", "Louisville, KY", and "502-482-8215". There are also social media icons for Facebook, Twitter, and LinkedIn. On the right, there is a Google Map of Louisville, KY, with a red pin marking the location of Green Academy. The map includes a scale bar and a "Satellite" view option. At the top right of the page, there are "Close" and "Print" buttons.

Viewing Schedules

To create a personal calendar, hold down the 'control' key on your computer keyboard and click all the schedules you want to see, then click on the **View** button. For Mac users hold the open-Apple key.

If you have a pop-up blocker on your computer, the first time you try to view a schedule, it may not open up. You will need to 'always allow pop-ups from this site.' Then try it again.

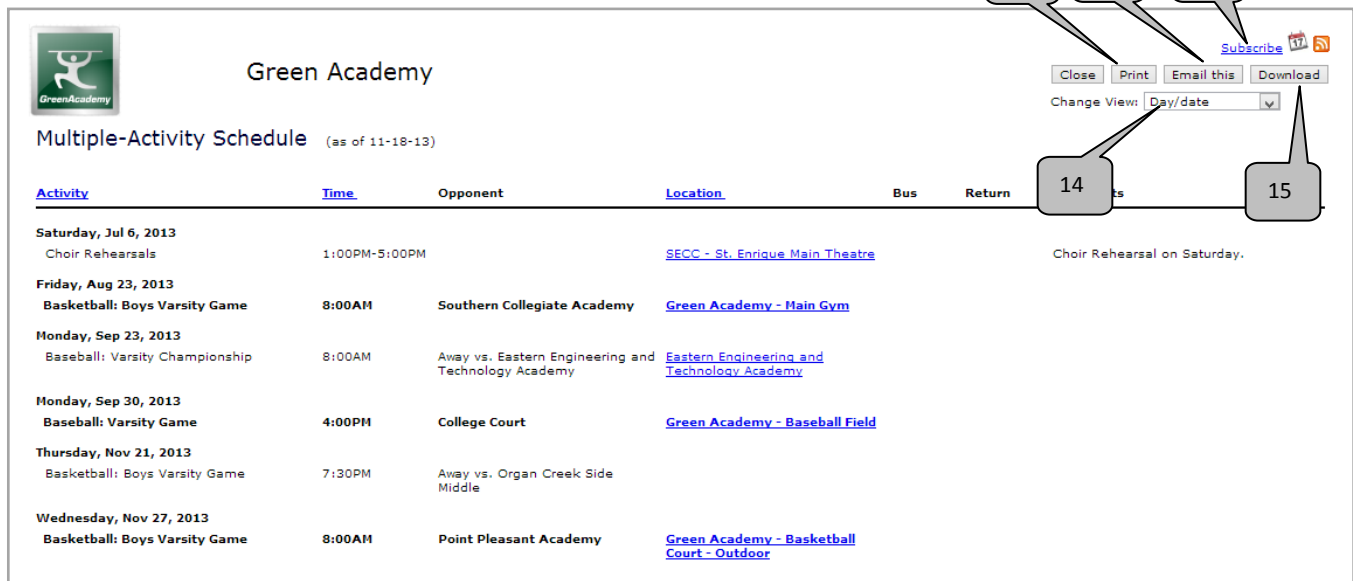

This pulls up a combined schedule of all the activities you selected. Now, you can push those schedules to your phone, tablet, or computer. Your phone, tablet, or computers will auto-update with any new events or changes made by the school (see below).

The screenshot shows a "View Schedules:" dialog box with a list of activities. The list includes: "Baseball 6th", "Baseball 7th", "Baseball Varsity", "Baseball - Boys 7th", "Baseball - Boys Varsity Reserv", "Basketball - Boys JV", "Basketball - Boys Varsity", "Basketball - Girls Varsity", "Bowling - Girls 10th", "Choir Rehearsals", and "Choral Clinic". A "View" button is located at the bottom left, and a "Help" link is at the bottom right.

When viewing Schedules:

After you click on View, you have many options:
